

SAINTS FOUNDATION

Saints Foundation Complaints Policy and Procedure

The following reflects Southampton Football Club feedback and complaint mechanisms, as stated in the Club Safeguarding Policy.

Saints Foundation recognises the right of all of our participants, children, young people (under 18s) and their parents or carers to have access to a complaints procedure.

The Foundation will ensure that all complaints are taken seriously and dealt with swiftly and in confidence.

Our Ethos

At Saints Foundation we aim to do things well. One of the ways in which we can achieve this is by listening to and responding to the views and suggestions of children, parents, schools, clubs and partner organisations – the voice of our stakeholders.

If you are not happy with something we do or anything that happens to participants on our activities or anything that is child-related, please let us know immediately.

Most complaints can be resolved at the time of the initial problem – please take prompt action.

Comments and Suggestions

As well as learning from your complaints, we are also interested in other ideas you may have on how we might do things better. We would also like you to tell us when we do things well.

You can make your comments by speaking to any members of our staff, telephone or in writing or you can e-mail us: tgrevatt@saintsfoundation.co.uk We will use your comments to help improve the way we do things.

Safeguarding

Complaints regarding poor practice in children's activities or relating to children (under 18s), such as bullying, will be shared with the Department Safeguarding Officer or designated Safeguarding Officer for the Activity, and if not resolved, the Head of Safeguarding.

Bullying and Discrimination

All participants have the right to enjoy football in a safe and enjoyable environment free from harm – this is our commitment to all participants, children and parents. We encourage parents and players to support each other as part of our team ethos and any behaviour that undermines these principles is not acceptable.

Any conduct by a participant that is perceived as offensive, bullying or discriminatory – or has caused harm to another participant - should be reported to us immediately. We take these incidents seriously and give them our attention as a priority. It is imperative that we take prompt action and investigate the incident. Also, we encourage anyone who observes such incidents to contact us.

Your Personal Information

If you use our complaints procedure, you are agreeing that we can use the personal information you send us for purposes connected with your complaint.

Our Standards:

- ▶ Saints Foundation aims to handle all complaints fairly and honestly – and with discretion - regardless of who makes a complaint. The Foundation will not show bias to any particular individual or group.
